3)	Profit before tax from continuing operations	(1,37,37,066)	1,88,83,746
	- Current Tax	-	57,69,034
	- MAT Credit Entitlement	-	(57,69,034)
4)	Profit (Loss) for the year	(1,37,37,066)	1,88,83,746
	Other comprehensive income	24,906	(37,730)
5)	Total comprehensive income for the period	(1,37,61,972)	1,89,21,476
	Earning (Loss) per Share – Basic & Diluted	(0.32)	0.45

2. THE YEAR IN RETROSPECT**i. O&M WORKS AT THE PROJECT SITE**

Your Company has achieved Final Project Completion Certificate during the year. Independent Consultant has issued Final COD certificate vide their letter dated 13th November 2017. The Final Completion date is 19th March 2012.

Your Company is regularly doing the Operations & Maintenance for the completed stretch of the Project Highway as per the stipulations under the Concession Agreement.

During the year, your company has completed 1st Major Maintenance Work in June 2017.

ii. ANNUITY RECEIPTS FROM NHAI

The Company has received 16th Annuity on 27th September 2017 (due on 27th September 2017) and 17th Annuity on 27th March 2018 (due on 27th March 2018). The Annuity amounts are being utilized to meet O&M Expenses, debt-servicing obligations, i.e. payment of Interest on Term Loans and repayment of Principal Installments, administrative expenses and other project related costs.

iii. TERM LOANS AND INTEREST THEREON

During the financial year under review, your Company was regular in servicing interest on Term Loans, due to regular receipt of Annuity from NHAI.

The following table shows the Principal Term Loan outstanding, as on 31st March 2018:

Rs. in Crores					
S. No.	Name of the Lender	Sanctioned	Disbursed	Repayment	Outstanding
1	IDFC Bank - Sr Debt	32.57	32.08	10.72	21.36
2	IDFC Bank - Sub Debt	19.00	18.71	5.12	13.59
3	Canara Bank	50.00	48.33	16.45	31.78
4	Punjab National Bank	50.00	49.24	16.45	32.79
5	United Bank of India	50.00	49.24	16.45	32.79
6	IIFCL	51.00	50.23	16.78	33.45
	Total	252.57	247.83	81.97	165.76

iv. CREDIT RATING

Your Company is presently rated CARE A by Care Ratings and BWR (A+) by Brickwork Ratings. The Credit Rating of your Company has improved owing to timely debt-servicing to the lenders and completion of 1st Major Maintenance Work.

3. FUTURE OUTLOOK

In view of the Supplementary Concession Agreement and also in view of the receipt of Letter of Credit from NHAI, receipt of future Annuities is assured and thereby, your Company is confident of timely debt-servicing to the lenders.

➤ **Repayment of Principal Loan installments as per the schedule:**

As in the past, your Company will be remitting the principal installments of repayment of Term Loans in accordance with the terms and conditions of the reschedulement of Term Loans approved by the lenders.

➤ **Debt re-financing:**

Your Company is also considering re-financing of the entire Term Loans to reduce the Interest costs. The monetary policy of the Reserve Bank of India (viz. reduction in CRR, Repo Rate etc.) in the recent past has ensured that the liquidity crunch in the market has eased out to a certain extent.

Your Company is in negotiations with various merchant bankers. Since, the final completion of the project is already obtained, the 1st Major Maintenance works is completed by the Company and improvement in Credit Rating, your Company is hopeful to obtain attractive terms from the market.

➤ **X-Factor / Bonus Annuity / Escalation claims:**

Since the Company has completed the project construction on the available stretch of the Project Highway as on the date of SPCD (Scheduled Project Completion Date), ahead of the schedule, this entitles the company for Bonus Annuity (x-factor). Accordingly, your Company has made claims on NHAI for cost over-runs and bonus claims thorough arbitration. The company has received the award for bonus annuity and the arbitration proceeding for cost over-run is under process.

4. EXTRACT OF ANNUAL RETURN

The Extracts of Annual Return is prepared in Form MGT-9 as per the provisions of the Companies Act, 2013 and Rule 12 of Companies (Management and Administration) Rules, 2014 and the same is enclosed as **Annexure-1**.

5. BOARD MEETINGS

During the year ended 31st March, 2018, Four Board Meetings were convened and held. The intervening gap between the Meetings was within the period prescribed under the Companies Act, 2013.

14. TRANSFER OF AMOUNT TO RESERVES

The Company does not propose to transfer any amount to the general reserve for the Financial Year ended 31st March, 2018.

15. DIVIDEND

The Board of Directors does not recommend any dividend on the Equity Shares for the financial year ended 31st March, 2018.

16. MATERIAL CHANGES AND COMMITMENTS

There has been no material change and commitments affecting the financial position of the Company which have occurred between the end of the financial year of the Company to which the financial statements relate and the date of the report.

There has been no change in the nature of business of the Company.

17. CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND OUTGO

Information relating to Conservation of Energy, Technology absorption and Foreign Exchange Earnings and Outgo as required under Section 134(3)(m) of the Companies Act, 2013 read with The Companies (Accounts) Rules, 2014 is Nil.

18. STATEMENT INDICATING DEVELOPMENT AND IMPLEMENTATION OF A RISK MANAGEMENT POLICY

The source of income for your Company is Annuity from NHAI as per the Concession Agreement and income earned out of temporary deployment of funds. Annuity from NHAI accounts for almost 98% of the total income of your Company. Since the Annuities are payable by NHAI in accordance with the Concession Agreement, your Company does not foresee any significant risk in receipt of these Annuities, in view of the fact that a revolving Letter of Credit has been obtained from NHAI, securing all future annuities. Your Company is ensuring that the conditions of the Concession Agreement are complied with, to ensure timely receipt of Annuities.

Your Company has also ensured that proper systems are planned, implemented and effectively monitored to ensure that all accounting and financial transactions are properly authorized and recorded, so as to ensure that the financial statements are free from material misstatements.

19. POLICY DEVELOPED AND IMPLEMENTED BY THE COMPANY ON CORPORATE SOCIAL RESPONSIBILITY INITIATIVES TAKEN DURING THE YEAR

The policy developed and implemented by the Company on Corporate Social Responsibility initiatives taken during the year is Nil as the relevant provisions of the Companies Act, 2013 in this regard are not applicable to the Company.

20. BOARD EVALUATION

Pursuant to the provisions of the Companies Act, 2013, the Board has carried out an annual performance evaluation of its own performance, the directors individually as well as the evaluation of the working of its Audit, Nomination & Remuneration Committees.

21. SUBSIDIARY COMPANIES, JOINTLY CONTROLLED ENTITIES AND ASSOCIATE COMPANIES

During the Financial Year ending on 31st March 2018, your Company had no subsidiaries and associate companies.

The names of companies which have become or ceased to be Company's Subsidiaries, joint ventures or associate companies during the year

During the Financial Year, no company is ceased as Company's Subsidiary, joint venture or associate company.

22. CONSOLIDATED FINANCIAL STATEMENTS

As the Company does not have any subsidiary or associate companies, the Consolidated Financial Statements are not applicable.

23. STATEMENT CONTAINING SALIENT FEATURES OF THE FINANCIAL STATEMENT OF SUBSIDIARIES/ ASSOCIATE COMPANIES/ JOINT VENTURES

As the Company does not have any subsidiary or associate companies, the statement containing salient features of the financial statement of subsidiaries/ associate companies/ joint ventures is not applicable.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF GAYATRI LALITPUR ROADWAYS LIMITED

Report on the Financial Statements

We have audited the accompanying financial statements of **GAYATRI LALITPUR ROADWAYS LIMITED** ('the Company'), which comprise the balance sheet as at 31 March 2018, the statement of profit and loss (including other comprehensive income), the statement of cash flows and the statement of changes in equity for the year then ended and a summary of the significant accounting policies and other explanatory information

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order issued under section 143(11) of the Act

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes

evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2018, and its loss, total comprehensive income, the changes in equity and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- (c) the Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.;
- (d) in our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act.
- (e) on the basis of the written representations received from the directors as on 31 March 2018 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2018 from being appointed as a director in terms of Section 164 (2) of the Act;
- (f) with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting; and
- (g) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us :

- i. The company has no pending litigation which would impact its financial position except those disclosed in financial statements;
 - ii. The company did not have any long-term contract including derivative contract for which there were any material foreseeable losses;
 - iii. There were no amounts which were required by the company to be transferred to the Investor Education and Protection Fund, and;
2. As required by Section 143(3) of the Act, based on our audit we report that:

As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we give in the Annexure B, a statement on the matters specified in the paragraph 3 and 4 of the Order.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of **GAYATRI LALITPUR ROADWAYS Limited** of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **GAYATRI LALITPUR ROADWAYS Limited** ("the Company") as of March 31, 2018 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for my /our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. Corporate information

M/s Gayatri Lalitpur Roadways Limited is a public company domiciled in India and incorporated under the provisions of the Companies Act, 1956. The Company is a Special Purpose Vehicle (SPV) incorporated on 7th July 2006 for execution of the project "Improvement, Operation and Maintenance, Rehabilitation and Strengthening of existing 2-lane Road and widening to 4-lane Divided Highway of NH-25/26 in the state of Uttar Pradesh on Build Operate Transfer (BOT)-Annuity Basis. The company has entered into a Concession Agreement with National Highways Authority of India, which specified a two and a half year of construction period and seventeen and a half years of Operation & Maintenance period. The project has achieved the Commercial Operations Date on 31st July 2010 for 45.22 Kms of the Project Highway, out of 49.305 Kms. During the year, the company has obtained Final Completion Certificate.

2. Summary of significant accounting policies

a) Basis of preparation of financial statements

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values. The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. Unless otherwise stated, the accounting policies applied by the Group are consistent with those used in the previous year.

All assets and liabilities have been classified as current or non-current as per the group's normal operating cycle and other criteria set out in the Schedule III to the Act. Based on the nature of work and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the group has ascertained its operating cycle as up to twelve months for the purpose of current and non-current classification of assets and liabilities

b) Use of estimates

The preparation of the consolidated financial statements in conformity with Indian GAAP requires management to make estimates and assumptions that affect the balances of assets and liabilities and disclosures relating to contingent liabilities as at the reporting date of the financial statements and amounts of income and expenses. Examples of such estimates include the provision for doubtful receivables, determination of recoverable amounts of fixed assets, deferred tax assets, employee benefits and useful lives of fixed assets.

Although these estimates are based on management's best knowledge of current events and actions, actual results could differ from those estimates. Any revision to accounting estimates is recognised prospectively in the current and future periods.

c) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a. Financial Asset

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through the Statement of Profit and Loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, a 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is the most relevant to the Company. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the Statement of Profit and Loss. The losses arising from impairment are recognised in the Statement of Profit and Loss. This category generally applies to trade and other receivables.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

- a) the rights to receive cash flows from the asset have expired, or
- b) the Company has transferred its rights to receive cash flows from the asset, and (i) the Company has transferred substantially all the risks and rewards of the asset, or (ii) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

b. Financial Liability

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through the Statement of Profit and Loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through the Statement of Profit and Loss

Financial liabilities at fair value through the Statement of Profit and Loss include financial liabilities designated upon initial recognition as at fair value through the Statement of Profit and Loss. Financial liabilities designated upon initial recognition at fair value through the Statement of Profit and Loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ loss are not subsequently transferred to P&L.

However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of the Statement of Profit and Loss. The Company has not designated any financial liability as at fair value through the Statement of Profit and Loss.

Loans and borrowings

This is the category most relevant to the Company. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in the Statement of Profit and Loss when the liabilities are derecognised as well as through the EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of the Statement of Profit and Loss.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of the Statement of Profit and Loss.

d) Fixed assets

Tangible assets are stated at cost of acquisition, less accumulated depreciation thereon. The cost of an item of fixed asset comprises its purchase price, including import duties and other non-refundable taxes or levies and any directly attributable cost of bringing the asset to its working condition for its intended use; any trade discounts and rebates are deducted in arriving at the purchase price.

Intangible assets represent commercial rights to collect toll fee in relation to roads projects which has been accounted at the cost incurred on the project activity towards reconstruction, strengthening, widening, rehabilitation of the roads on build, operate and transfer basis. It includes all direct material, labour and subcontracting costs, inward freight, duties, taxes, obligation towards negative grant payable to concessionaires, if any, and any directly attributable expenditure on making the commercial right ready for its intended use.

e) Depreciation and amortization

Depreciation on assets has been provided on straight-line basis at the rates specified in Schedule II to the Companies Act, 2013.

f) Impairment

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital.

g) Revenue

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Contract revenue

- Revenue from construction contracts is recognized using percentage completion method as prescribed under Ind AS 11 "Construction Contracts" and with reference to stage of completion of the contract activity, at the reporting date. Depending on the nature and terms of individual contract, stage of completion is determined on the basis of the proportion of costs incurred for the work performed till date to the total estimated contract costs.
- Price escalation and other claims and/or variation in the contract work are included in the contract revenue only when:
 - Negotiations have reached an advanced stage such that it is probable that the customer will accept the claim; and
 - The amount that is probable will be accepted by the customer and can be measured reliably.
- Revenue from services rendered on a time and material basis is recognised as per the terms of contracts with customers and as and when the related services are performed. Revenue from fixed price arrangements is recognised using the completed contract method and accordingly, work completed and not billed, if any, is recognised as unbilled revenue as at the Balance Sheet date.

Development of highways

In case of companies involved in construction and maintenance of roads, Once the infrastructure is in operation. In intangible assets modal, toll revenue from operations is recognised on accrual basis which coincides with the collection of toll. In financial assets modal, finance income is recognized using the effective interest method and revenue from operations and maintenance services (including periodic maintenance) are recognized in each period as and when services are rendered in accordance with Ind AS 18 revenue.

Interest income

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

Dividend income

Dividend income is accounted for when the right to receive is established.

h) Borrowings Costs

In Case of concession arrangement under financial asset model, borrowing Costs that are attributable to the acquisition and/or construction of the infrastructure are charged to The Statement of Profit and Loss in the period in which such costs are incurred.

In Case of concession arrangement under intangible asset model, borrowing cost of qualifying assets are capitalized as part of cost of such assets till such time the asset is ready for its intended use. A qualifying asset is one that requires substantial period of time to get ready for its intended use. Any income on the temporary investments of borrowings is deducted from the borrowing cost. All borrowing cost subsequent to the capitalization of the intangible assets are charged to the Statement of Profit and Loss in the period in which such costs are incurred.

i) Earnings/(loss) per share

Basic earnings per share are calculated by dividing the net the Statement of Profit and Loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net the Statement of Profit and Loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares, if any.

j) Employee Benefits

Provisions for/contributions to retirement benefit schemes are made as follow as per Indian Accounting Standard (Ind AS) – 19, “Employee Benefits:

- a) Provident fund on actual liability basis
- b) Gratuity based on actuarial valuation
- c) Leave encashment benefit on retirement on actuarial valuation basis.

k) Taxes on Income

Current Tax

Tax on income for the current year is determined on the basis of taxable income and tax credits computed in accordance with the provisions of the Income Tax Act, 1961.

Deferred Tax

Deferred Tax is recognized on timing differences between the accounting income and the taxable income for the year, and qualified using the tax rates and laws enacted or substantively enacted as on the Balance Sheet date.

At each reporting date, the entities in the group re-assess unrecognised deferred tax assets. It recognizes unrecognised deferred tax asset to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realised.

The carrying amount of deferred tax assets are reviewed at each reporting date. The entities in the group writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set-off current tax assets against current tax liabilities and the deferred tax assets and deferred taxes relate to the same taxable entity and the same taxation authority.

l) Cash and Cash Equivalents

Cash and cash equivalents in the cash flow statement comprise of cash at bank and on hand and include short term investments with an original maturity of three months or less.

m) Provisions and contingent liabilities

Provision is recognized when the Company has a present obligation as a result of a past event and when it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on management's best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current management estimates. A disclosure of a contingent liability is made when there is a possible or a present obligation that may, but probably will not, require an outflow of resources.

n) Claims

- a. Company's claims against the Concessioneing Authority for additional scope of work, utility shifting etc. are accounted for as and when received.
- b. Contractor's claims regarding additional scope of work, utility shifting etc. are accounted for when related claims of the Company are received from the Concessioneing Authority.
- c. Other claims against/by the company are accounted for as and when accepted.

o) Pre-operative Expenditure

Incidental expenditure incurred during construction period towards "Concessionaire Asset" is capitalised on completion of construction and obtaining related COD.

p) Foreign currency transactions and derivatives

- a. The reporting currency of the company is the Indian Rupee.
- b. Foreign currency transactions are recorded on initial recognition in the foreign currency, using the exchange rate on the date of the transaction.
- c. At each Balance Sheet date, foreign currency monetary items are reported using the closing rate. Exchange differences that arise on settlement of monetary items or on reporting at each balance sheet date of monetary items at the closing rate are adjusted in pre-operative expenses.

As per records of the Company, including its register of shareholders/members and other declarations received from shareholders regarding beneficial interest, the above shareholding represents both legal and beneficial ownership of shares.

(e) Composit Scheme of Merger & Demerger

1. As per the NCLT order dated 3rd November, 2017 and Composite Scheme of Arrangement between Gayatri Projects Ltd, Gayatri Infra Ventures Ltd and Gayatri Highways Ltd (Formerly Gayatri Domicile Pvt Ltd), All the Infrastructure Road BOT Asset are merged with Gayatri Projects Ltd (GPL), there-after, all the Infrastructure Road BOT Assets are demerged from GPL and transferred to Gayatri Highways Ltd erstwhile Gayatri Domicile Private Ltd with effect from 24th November, 2017

2. Gayatri Domicile Private Limited changed its Name to Gayatri Highways Limited (GHL) to better reflect the nature of Business being carried out.

3. As per the Central Government notification, all the cases relating Company Law were shifted to NCLT (National Company Law Tribunal) from the respective High Courts. The case for the Scheme of Arrangement was also shifted to NCLT Hyderabad from the Honorable Hyderabad High Court. NCLT has ordered for the implementation of the Composite Scheme of Arrangement vide their order dated on 3rd November 2017. The followings are the consequence of the NCLT order:

- GIVL was merged with GPL and GIVL has been dissolved. GPL was the holding company of all the BOT Road assets which were under GIVL and GPL together till 31 March 2016.
- All the BOT Road Assets under GPL were demerged and transferred to GHL and GHL became the holding company for all the BOT Road Assets from 31 March 2017 onwards
- The listing of GHL on National Stock Exchange/Bombay Stock Exchanges is in progress. The process of listing will be completed shortly
- The existing shareholders of GPL were issued Equity Shares of GHL in 1:1 ratio, i.e. for every 1 share held in GPL, 1 share of GHL was allotted.

In GLRL, the existing shares held by GIVL have been transferred to GHL pursuant to NCLT order.

Shareholding as at 31st March 2017 has been regrouped in terms of order of NCLT dated 3rd November 2017

23 Earnings per share

Basic EPS amount are calculated by dividing the profit for the year attributable to equity holders of the Company by the weighted average number of equity shares outstanding during the year.

The following reflects the income and shares data used in the basic EPS computations:

	For the year ended	
	31 March 2018	31 March 2017
Profit/(Loss) attributable to equity holders of the Company	(1,37,61,972)	1,89,21,476
Weighted average number of equity shares in calculating basic EPES	3,17,98,006	3,17,98,006
Nominal value per equity share	10	10
Effect of dilution:		
Weighted average number of equity shares used in computation	3,17,98,006	3,17,98,006
Basic and Diluted Earnings (Loss) per share	(0.43)	0.60

24 Breakup of financial assets and financial liabilities carried at amortized cost

	As at	
	31 March 2018	31 March 2017
Financial assets		
Financial assets-Others (Carriageway)	1,95,78,37,779	2,11,45,49,892
Trade receivables	52,79,194	52,79,194
Cash and cash equivalents	26,61,79,072	40,65,52,554
Others	14,40,71,665	11,73,32,076
Total	2,37,33,67,710	2,64,37,13,716
Financial liabilities		
Borrowings	1,67,64,62,638	2,01,75,12,169
Trade payables	35,13,743	8,14,823
Other financial liabilities	2,44,75,209	2,43,25,926
Total	1,70,44,51,590	2,04,26,52,918

The carrying amount of current financial assets and current trade and other payables measured at amortised cost are considered to be the same as their fair values, due to their short term nature.

The carrying value of Rupee Term Loan and Loan from Related Party approximate fair value as the instruments are at prevailing market rate.

25 Significant accounting judgments, estimates and assumptions

The preparation of the Company's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

26 Fair Values

The management assessed that cash and cash equivalents, trade receivables, current loans, trade payables and other current liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments or as they carry market rate of interest.

27 Financial risk management objectives and policies

The company's activities expose it to variety of financial risks : market risk, credit risk and liquidity risk. The company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Board of Directors has established a risk management policy to identify and analyze the risks faced by the Company, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management systems are reviewed periodically to reflect changes in market conditions and the Company's activities. The Board of Directors oversee compliance with the Company's risk management policies and procedures, and reviews the risk management framework.

28 Financial risk management objectives and policies (Continued)

a) Market Risk:

The market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk. The company is not exposed to foreign currency risk as it has no borrowing or no material payables in foreign currency. The Company's activities expose it primarily to the financial risks of changes in interest rates.

i) Interest rate risk

The company is exposed to interest rate risk because it borrows funds primarily at floating interest rates. However, the interest rates are dependant on base rates/prime lending rates of the lead bank which are not expected to change very frequently and the estimate of the management is that these will not have significant upward trend.

The company's exposure to interest rate risk due to variable interest rate borrowings is as follows:

	As at	
	31 March 2018	31 March 2017
Senior Debt from Banks - Variable rate borrowings	1,67,64,62,638	2,01,75,12,169

Sensitivity analysis based on average outstanding Senior Debt

Interest Rate Risk Analysis	Impact on profit/ loss after tax	
	31 March 2018	31 March 2017
Increase or decrease in interest rate by 25	46,17,469	54,22,666

Note: Profit will increase in case of decrease in interest rate and vice versa

ii) Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk).

The company is exposed to price risk due to investments in mutual funds and classified as fair value through profit and loss.

The company measures risk through sensitivity analysis.

The company's risk management policy is to mitigate the risk by investments in diversified mutual funds.

The company does not expose to price risks as on 31st March 2018.

b) Credit risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the company. The Company has adopted a policy of only dealing creditworthy counterparties. The management believes that the credit risk is negligible since its mail receivable is from the grantors of the concession which is Government Authority.

c) Liquidity Risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial assets.

The company is exposed to liquidity risk due to bank borrowings and trade and other payables.

The company measures risk by forecasting cash flows.

The Company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due without incurring unacceptable losses or risking damage to the Company's reputation. The Company ensures that it has sufficient fund to meet expected operational expenses, servicing of financial obligations.

The following tables detail the company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the company can be required to pay. The tables include both interest and principal cash flows. To the extent that interest flows are floating rate, the undiscounted amount is derived from interest rate curves at the end of the reporting period. The contractual maturity is based on the earliest date on which the company may be required to pay.

28 c) Liquidity Risk (continued..)

As at 31st March 2018	Carrying Amount	upto 1 year	1 - 2 years	2 - 5 years	> 5 years
Non Derivative Financial Liability					
Borrowings	1,67,64,62,638	32,12,92,200	31,39,22,835	90,11,11,003	84,69,68,302
Other Financial Liabilities	2,44,75,209	2,44,75,209			
Trade payables	35,13,743	35,13,743	-	-	-

As at 31st March 2017	Carrying Amount	upto 1 year	1 - 2 years	2 - 5 years	> 5 years
Non Derivative Financial Liability					
Borrowings	2,01,75,12,169	33,09,21,668	32,12,92,200	92,04,83,375	1,33,37,44,286
Other Financial Liabilities	2,43,25,926	2,43,25,926			
Trade payables	8,14,823	8,14,823	-	-	-

The following table details the company's expected maturity for its non-derivative financial assets. The table has been drawn up based on the undiscounted contractual maturities of the financial assets including interest that will be earned on those assets. The inclusion of information on non-derivative financial assets is necessary in order to understand the company's liquidity risk management as the liquidity is managed on a net asset and liability basis.

As at 31st March 2018	Carrying Amount	upto 1 year	1 - 2 years	2 - 5 years	> 5 years
Receivable under SCA	2,10,19,03,988	38,55,71,600	37,72,69,900	1,10,13,96,600	1,41,41,03,800

Cash and cash equivalents	40,65,52,554	40,65,52,554	-	-	-
Others	5,456	5,456	-	-	-

d) Capital management

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders. The primary objective of the Company's capital management is to maximize the shareholder value. The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt.

	As at

Finance Cost charged to Statement of P/L	20,11,68,480	22,31,90,071

31 Disclosures as per Ind AS 37 - "Provisions, Contingent Liabilities and Contingent assets "

(a) Nature of provision:

The company is required to operate and maintain the project highway during the entire concession period and hand over the project back to the Authority (NHAI) as per the maintenance standards prescribed in Concession agreement.

For this purpose, a regular maintenance along with periodic maintenances is required to be performed. Normally periodic maintenance includes resurface of pavements, repairs of structures and other equipments and maintenance of service roads.

As per industry practice, the periodic maintenance is expected to occur after 5-7 years. The maintenance cost / bituminous overlay may vary based on the actual usage during maintenance period. Accordingly on the grounds of matching cost concept and based on technical estimates, a provision for major maintenance expenses is reviewed and is provided for in the accounts annually.

(b) Movement in provisions:

	As at	
	31 March 2018	31 March 2017
Opening balance	25,94,41,327	34,80,46,127
